Interactive Features

A close-up, top-down view of a person's hands holding a vintage SLR camera. The camera is black and silver, with a large lens and various dials and buttons visible. The person is wearing a dark, textured jacket. The background is a blurred field of tall grass. A white circle with a solid white dot in the center is overlaid on the camera. The text "Thank You" is written in a white, sans-serif font across the middle of the circle. Four white L-shaped corner brackets are positioned at the corners of the frame, suggesting a video or photo capture interface.

Thank You
